1	09-01-2018	Scope of Service	-	We have a question in regard to the division between Metroselskabet and Hovedstadens Letbane. The two companies share management and employees. Are we as consultants supposed to distinguish between the two companies or treat all managers and employees as Metroselskabet when consulting?	The Safety Culture Consultancy: Leadership capabilities and Change management tender is only concerning Metroselskabets employees.	N/A	16-jan
