Question no.	Date	Question (anonymized)	Answer
1	07.06.2021	It says in the tender specifications that "the tender should not be longer than 20 pages (appendices described in 1.6.2.6 excluded) and each CV should be max two pages long." I wonder if the documents "1.6.2.5 The tenderer's financial and economic suitability" and CVs should be included in those max. 20 pages?	No, the 1.6.2.5 "The tenderer's financial and economic suitability" and CVs do not have to be included in the max. 20 pages.
2	07.06.2021	Is it enough to submit Appendix 1 that is signed by the tenderer that is leading a consortium? Or should all the tenderers participating in a consortium sign Appendix 1?	The appendix 1 should be submitted individually by all participants in the consortium.  Also, as stated in section 1.6.2.2. it is important that all participants are included in the description of the consortium and that the individual legal persons are stated clearly and unequivocally.
